

Housing Quality Standards (HQS) Initial Inspection Flowchart

Initial Inspections

When the family finds a unit that they wish to occupy and reaches an agreement with the landlord over the lease terms, the PHA must inspect the dwelling and determine that the unit meets Housing Quality Standards (HQS). Landlords may want to review HUD's list of [Frequently Asked Questions](#) about HQS. Landlords may also want to contact their PHA(s), as they may be able to find useful information such as common HQS non-life-threatening (NLT) and life-threatening deficiencies.
